From the Desk of the Worthy Master

Dear Brothers:

It is with great pleasure and excitement that I convey to you, the Zeta Lambda Chapter Alumni, my first official Worthy Master message.

First of all, let me introduce you to our new officers: **Steve Cole** — Worthy Master; **Brad Steinger** — Worthy Chaplain; **David Dill** — Worthy Keeper of the Exchequer; **Andy Pipenbrok** — Worthy Keeper of the Annals; **Scott Lipke** — Worthy Scribe; **Matt Vowels** — Worthy Sentinel; **Mark Bates** — Worthy Usher.

As a whole, 1988-89 proved to be a period of change and improvement for Alpha Tau Omega. The biggest and most notable change is that the annex is no longer standing. Due to poor living conditions, it was decided that the best thing to do would be to tear it down. After tearing it down, the chapter built a permanent fence completely around the complex to insure privacy. Also the Beta Mu pledge class built a volleyball court where the annex used to be. Blocked in by railroad ties and filled with sand, the new volleyball court has provided the active brothers and alumni hours of enjoyment.

Contributing to a worthwhile cause was also a part of the 1989 year for the Zeta Lambda Chapter. In trying to raise money for the Special Olympics, the chapter sponsored a fishing tournament April 27th. The first time event will hopefully become an annual project in the upcoming years.

We also tried to contribute to the entertainment provided at All Campus Sing as we once again participated.

Although we did not win, a good time was had by everyone.

The 30th annual Founder's Day was a big success in Evansville, Indiana, as a good number of active brothers and alumni reminisced. We also had the pleasure of having the Rev. John R. Symonds, Worthy Grand Chaplain, give the keynote address. The banquet was marked by special awards as Mark Bates became the new Michael P. Butler winner, and David Moffitt received the Alumnus of the Year Award.

Even though we finished second by one half point in the All Sports Trophy standings, each event brought the brothers closer together as we cheered for each other.

As most of you saw in the special newsletter, the Alpha Tau Omega phonathon was a great success as the housing corporation and active brothers raised over \$20,000 towards building a new house. This figure shows the caring attitude that is prevalent within the alumni of the Zeta Lambda Chapter.

The events mentioned are just a portion of what is going on in today's chapter. I am looking forward to reaching new goals and continuing in the progress of successful alumni relations. I appreciate the Support given to me from the active chapter as well as the alumni, and look forward to exchanging ideas with all of you.

Fraternally,
Steve Cole,
Worthy Master

To bind men together in a brotherhood based upon eternal and immutable principles, with a bond as strong as right itself and as lasting as humanity; to know no North, no South, no East, no West, but to know man as man, to teach that true men the world over should stand together and contend for supremacy of good over evil; to teach, not politics, but morals; to foster, not partisanship, but the recognition of true merit wherever found; to have no narrower limits within which to work together for the elevation of man than the outlines of the world; these were the thoughts and hopes uppermost in the minds of the founders of the Alpha Tau Omega Fraternity.

In the Chapter

April was a very busy month for the Zeta Lambda chapter. The agenda began the weekend of April 8th with the 30th Annual Founder's Day. The event was held at the Ramada in Evansville, IN. Approximately 40 alumni joined the majority of the active chapter for a great time and the sharing of many stories. We had the honor of having the Worthy Grand Chaplain, Rev. John R. Symonds, Jr. to give the keynote address. Two special awards were presented during the banquet: Mark Bates received the Michael F. Butler Award and David Moffitt was awarded the Alumnus of the Year Award.

Next on the calendar came the 12th annual Frog Hop festivities. Several alumni attended and joined the activities and the sororities for the fun. A big hit this Frog Hop was the addition of a new volleyball court, built by the Beta Mu pledge class.

Something new to Zeta Lambda was the 1st Annual Bass Tournament to benefit Special Olympics, held April 29th at Kentucky Dam Marina. Although there were not as many participants as we would have liked, the Tournament was a success. A \$1,000 1st place prize was awarded and a donation of \$200 to Special Olympics. Plans are already being made for next year's event and special thanks goes to Neal Norsworthy for all of his work organizing the tournament.

Thomas Arkle Clark . . .

A member of Zeta Lambda is in the running for the National Thomas Arkle Clark Award. John Hawks, the man infamous for the lower-case spelling of his name, was selected by the Zeta Lambda chapter as their nominee for the TAC and has won at the province level. His nomination now advances to the National Alpha Tau Omega Congress to compete against the other province winners. I believe that I share the sentiments of the chapter when I say that there is not a more deserving Tau than John K. Hawks.

Zeta Lambda has greatly benefited from this outstanding brother, who's list of awards and accomplishments would surely fill the pages of this newsletter. This four-time winner of the NCAA speech and debate competition has been a prominent leader and source of information on most any subject. His talents, efforts, wit, and mild manner will certainly be missed; although we are sure to expect visits. We wish John the best of luck with the Thomas Arkle Clark Award and his pursuits at the University of Kentucky Law School.

4th Annual Frog Seniors Open

The Fourth Annual Frog Seniors Open Golf Tournament will be held the weekend of August 12. It will be 18 holes of golf at Miller Golf Course in Murray. There will be a \$30 fee which includes green fee, cart, prizes, and Saturday evening festivities. The agenda is as follows:

Saturday, Aug. 12	9:30am Breakfast at Shoney's
	12:00 Tee-Off at Miller
	7:00 Bar-B-Que and Kegger at the ATO House

A mailer will be coming out, but if you don't receive one you can still participate. Send in a note and check along with an estimate of your score for 18 holes to:

Good Luck Graduating Seniors

From The New ARO

I would like to encourage the alumni to get involved as much as possible; your input and ideas as well as your personal participation are welcomed, appreciated, and needed. Please feel free to contact myself with any suggestions or questions. Mailed responses should be sent to:
