Zeta Lambda Wins True Merit

The Zeta Lambda Chapter of Alpha Tau Omega has once again proven itself to be a successful and hard-working group of men, active and alum. At this year's National Congress Zeta Lambda was awarded the True Merit Award. The award is the highest award an ATO chapter may receive. Given to the top 15 chapters in the nation, the award recognizes success in all categories of fraternity life: public and alumni relations, community awareness, risk management, financial stability, social service, campus leaders, and the list goes on.

Approximately six hundred Taus from around the nation gathered at the awards banquet to cheer others and hopefully hear their chapter called. The Murray State Taus' hopes and dreams came true as our chapter was named one of the recipients. Worthy Master Steve Cole walked proudly to the stage as his school song was played in the background.

Brother Cole later said, "Receiving the True Merit Award is the culmination of the hard work and dedication of every brother of Zeta Lambda, past and present. We feel honored to have received the award and we will work hard to maintain this high level of achievement."

The inscription on the bowl is a quote taken from the ATO Creed by Otis Allen Glazebrook, "... to recognize

true merit wherever found." I believe the men of Zeta Lambda exemplify the spirit and character represented by this award. Every member of Zeta Lambda, past and present, has contributed to this achievement and should give themselves a pat on the back for a job well done. Congratulations Zeta Lambda; onward and upward to an even better year this year.

Congress '89

The ATO National Congress was held August 5-9 in Champaign, IL; fittingly this is where our National Headquarters are located. Zeta Lambdas in attendance were as follows: Steve Cole—Worthy Master, Brad Steininger—Worthy Chaplain, David Dill—Worthy Keeper of the Exchequer, and Scott Lipke—Worthy Scribe and our representative to Leadershape this year. The guys seemed to have had a good time, mention has been made of quarter draft night at one of the local bars. They also had the chance to visit the National Headquarters and to meet Taus from across the nation.

Of course there was the business side of Congress to attend. This included various workshops and seminars over topics from Rush, time management, and AIDS awareness. The hope is that what our attending brothers

learned will be brought back and put into practice. Some new policies were entertained, the most notable being the new alcohol policy. This is printed in its entirety later in the newsletter.

Zeta Lambda's presence was felt all the way to the top as Pat Brown, Zeta Lambda alumnus, served as the keynote speaker during the awards banquet; he addressed the importance of interfraternity relations. To be sure, the entourage from Murray State did not take a back seat at the awards ceremony. We won an honorable mention in the Joseph R. Anderson award, pertaining to newsletters. The highlight of the evening was that Zeta Lambda brought home the gold — The True Merit Award, which is the highest award an ATO chapter can receive.

4th Annual Frog Seniors Open Results

Miller Golf Course was the scene of this year's Senior golf classic. Approximately 40 brothers attended this "golf" outing and we are pleased to say everyone finished standing up. It was touch and go for awhile however, as David Moffitt and his wife, Amy, tended to the War Wagon. Thanks to David and Amy for making sure no one was parched under the summer's sun.

The day's events started with a breakfast at Shoney's new restaurant in Murray. Of course, we had the usual controversy over the team alignments. I promise not to team with Billy Wagner next year. After the golf outing we concluded the day with an outstanding B-B-Q dinner at the house and some pretty entertaining volleyball on the new court behind the house. Seeing Pete Longton and David Hearn (Bear) play was worth the price of admission alone.

Thanks to all of this year's entrants and we hope to see more of our alumni attend next year's event. We can promise a good time and a good deal of Brotherhood.

Faternally,
Ken Harrell, Jr.

"Phon-a-thon"

Dear Brothers:

Although it seems like yesterday, it was back in March of this year that your Alumni Association embarked upon the most important fund raising effort of our history. By all accounts, the "Phon-a-thon" and related alumni mailings have been a tremendous success. To date, we have collected a total of \$20,060 from 212 loyal and generous alumni brothers whose names are listed elsewhere in this publication.

The only dark cloud on the horizon is that a number of you made a pledge and for one reason or another, we have not received that pledge over the ensuing 5 month period. The importance of receiving all monies pledged cannot be overstated. As each day passes, the condition of our Fraternity house continues to worsen. So, while we deeply appreciate your pledge, we ask you to promptly send your donation payable to the ATO Housing Corporation, P.O. Box 821, Murray, Kentucky 42071. If we have done something to delay your donation or if you have any suggestions, complaints, comments or whatever, please write to us at the above address. You may also call me at 1-800-444-1854 (ask the switchboard operator for Murray, KY) from 8 a.m. to 5 p.m. Central time.

I would like to take this opportunity to make one more

appeal to all alumni who have not yet participated in our fund raising effort. I would ask each of you to take a close look at the current list of contributors and try to think back on the good times and brotherhood that you enjoyed as an ATO at Murray State. Your generous contribution today would go a long way toward helping insure a bright future for your chapter and the young men who choose to follow in your footsteps and become an ATO at Murray State.

In closing, I would like to ask you to please join us for Homecoming this year on October 6th and 7th. This is a special Homecoming and represents a red letter day in the history of your chapter as we will officially burn our mortgage during the weekend activities. The Saturday morning housing corporation/alumni association meeting will be especially important as we will be discussing the future building plans for your chapter. A full schedule of the weekend activities appears elsewhere in this newsletter. I hope to see you then.

Fraternally,

Patrick Gossum

Lost Brothers

In each issue we publish a gradually shrinking list of brothers who appear "lost" — ATOs who have moved and have not updated their addresses with Nationals, or whose forwarding orders have expired.

This list is the most recently compiled group sent from Nationals. If you know the address of any of these brothers, please send it to us on the enclosed alumni information form or call ATO Nationals at 1-800-798-9286.

I want to offer a special invitation for you to attend this year's "coming home" celebration at Murray State, and more importantly, at the Murray State ATO House. Homecoming is the weekend of October 7.

I can't remember a more exciting year of ATO Alumni activities. Our 30th Anniversary Founder's Day in the spring, the ATO Senior's Golf Outing in August, a "mini homecoming" at Terry & Vicki Dunn's wedding, and the Phone-a-thon fund raising event in the spring are the highlight of a **Monumental** year for the Murray State ATO Alumni Association.

Please make plans to celebrate these and so many more past events that have made our chapter's history so unique and colorful, and you can be part of burning the mortgage that is now paid off on our current property.

Oh, by the way, the University still holds some events that same weekend, like a football game, parade, etc. Seriously, the football team's prospects look pretty good, with a quarterback that is breaking all kinds of OVC and MSU records.

So, come on down! I hope to see you in Murray the weekend of October 7.

Fraternally,

Dave Moffitt
Pres. ATO Alumni Assn.

This year's Homecoming celebration should be a big success. A large alumni attendance is expected, and with good reason since we will be burning the mortgage on the house that has been recently paid off due to the great participation in the phone-a-thon. Make plans now to attend. The schedule is as follows:

Thursday — October 5

Night-Early Bird Party
(@ATO House)

Friday — October 6

10:30 — Golf Outing
(Meet at House for pairings)

Formal Dance

Bar Opens — 7:00

Band (The Pitts) — 9:30-1:30

Saturday — October 7

9:30 — Homecoming Parade

10:30 — Alumni Assn. Meeting (Doughnuts & Coffee)
(Curris Center — Barkley Room)

1:30 — Pretuner (ATO House)

2:30 — Game (vs. Morehead State)

8:00 — Cocktail Party (informal)

All events subject to slight variations in time. All changes will be posted at the House. The Alumni assessment will be thirty dollars and can be paid in advance; please send all payments to ATO Housing Corp., P.O. Box 821, Murray, KY 42071. Sweatshirts will also be available as favors.
