Farewell Message

Dear Brothers,

It is with mixed emotions that I convey to you, the Zeta Lambda Chapter Alumni, my last official Worthy Master message.

On one hand the ceremonial passing of the gavel brings a sense of relief and fulfillment with it that I'm sure every previous Worthy Master has felt. But on the other hand, because it is such a great honor to serve as Worthy Master for the Zeta Lambda Chapter, it is hard to relinquish the reins.

The past year has provided many special memories for me that I will never forget. I have learned important lessons about myself and about dealing with other people that will surely benefit me for the rest of my life. Because of these valuable lessons, I am grateful to the brothers of Zeta Lambda.

I have had the distinct pleasure of serving with a group of wonderful officers who were dedicated to the task of ensuring Alpha Tau Omega's continued success. There were many changes that had to be dealt with. Without the long hours of discussion and continued support by the group of officers, some of the changes might have been more difficult for the chapter to accept.

Founder's Day

Founder's Day 1990 will be the weekend of April 7th. The annual event will be held at the Holidome at Cape Girardeau, Missouri. The facilities have an indoor pool and lounge. There will be a banquet, with a cash bar, that night. Be sure to make plans now for this eventful weekend.

The address is: Holiday Inn
I-55 and Williams Street
Cape Girardeau, MO 63702-1570
(314) 334-4491

The future of Alpha Tau Omega is as bright as it ever had been. Membership recruitment is high again as the Beta Xi pledge class has 28 members. The True Merit Bowl is resting comfortably in the Chapter room and hopefully, through continued hard work, more bowls will follow.

I appreciate the support given to me from the active chapter as well as the Alumni, and only hope that the new officers will get the same type of support. I am looking forward to seeing all of you at this year's Frog Hop and Founder's Day.

Fraternally,

Steve Cole
Worthy Master

Grades

The Zeta Lambda Tau's have once again proven themselves to be a hardworking group of young men. We improved our scholastic standing last semester, moving to second overall on campus. Much of the credit goes to Mrs. Jane Hall, scholarship advisor. With her help we have improved our overall GPA each and every semester for the past two years.

Sports

The Zeta Lambda's have also been hard at work pursuing the All Sports Trophy. We are currently second, down by 2 points after going undefeated in basketball. With still a few events to go we are hopeful for bringing the trophy to 101 North Sixteenth.
