

## ALUMNI SUPPORT CONTINUES TO GROW FOR CONSTRUCTION OF NEW HOUSE

The ATO Capital Construction Fund Drive, now in its eighteenth month, continues to receive growing support from Zeta Lambda Alumni. During the next six weeks, the Board of Directors will intensify contacts with Zeta Lambda Alumni to enlist their support for the construction project. Groundbreaking is now scheduled for Founder's Day on May 9th in Murray. Construction Subcommittee Chairman, David Graham, is projecting construction to commence full scale on the new lot in August of 1992. The active Chapter has also become involved in fundraising activities and has committed to raise \$5-\$10,000.00 among

the current active members in the coming months. Some 86 Brothers have become lifetime members of the Alumni Association by making contributions of \$1,000.00 or more to the Capital construction Fund Drive to date. More than 150 Brothers have contributed. All Brothers who have pledged or made contributions to the date of printing of this newsletter are listed below.

Any alumnus who wishes to contribute to the Capital Construction Fund Drive may do so by calling collect, Jeff S. Taylor at (502) 686-8084, Loman Brown at (216) 659-3518 or Mike Sanford at (619) 566-3843.

## Construction Subcommittee Needs Your Help

David Graham, Chairman of the Construction Subcommittee, will be contacting all alumni by mail in the very near future to enlist the support of alumni in the budget and construction planning process. He will be surveying all alumni in an effort to determine what construction materials, supplies, furnishings or labor can be supplied to the project as either in-kind contributions or to be purchased at below wholesale prices. Many alumni Brothers are in a position to assist their

fraternity in providing needed materials, supplies, or even their construction expertise for the project. Look for David's letter in your mail in the very near future and provide whatever support you can. We are now at the critical phase of finalizing the construction of the new House and the support of all alumni is necessary to make the dream become a reality. You may contact David directly at (502) 753-1717 (work) or (502) 753-3843 (home).

## Leadership All Over Campus

Five ATO's demonstrated leadership in the Student Government Association by winning offices. Todd Logsdon is the president of SGA and will now serve on the Board of Regents. Mark Whitaker is the secretary of SGA. Brian Wilmurth and Chad Angle are Senators-at-Large. Robbie Henkebein is senator for the College of Science.

ATO is still shaping leaders as the Taus are leaders all over campus.

# Homecoming 1992 Announced

Murray State University has announced Homecoming - 1992 for the weekend of October 2 & 3rd. Please Make Plans to attend and watch future newsletters for information.

## Looking for lost brothers

Please send any current information that you might have on ATO-Zeta Lambda members that have moved recently.

We currently utilize a mailing list supplied by ATO national and try to cross check this list with one from Murray State to confirm the most current addresses and phone numbers. Keeping track of 'younger Alumni' is especially difficult due to frequent career changes and relocations. We have also discovered through our phone-a-thon efforts that many of our addresses and phone numbers are to parents of our members.

Obviously if you are reading this and you received it in the mail we have a current address, but please take a few minutes to send the address and phone number of a Brother that is not receiving our newsletters and information.

The opportunity to contact a 'Lost' Brother and renew his interest in our chapter is very important to the Active Chapter in Murray and the Alumni Association.
