SKETCH OF PROPOSED CHAPTER HOUSE

# CAPITAL CONSTRUCTION FUND DRIVE CONTINUES

## Construction to Begin in Fall 1992

The Board of Directors of the Zeta Lambda Alumni and Housing Association approved the final plans for the construction of the new Chapter House at its September meeting. The Board has directed the Construction Subcommittee to finalize its construction plan and to begin site work at the new location in October of 1992. The Construction Subcommittee has begun the bid process and should have a contractor lined up by Homecoming. The estimated project cost at this time is \$380-400,000.00, exclusive of furnishings for the new House.

The Board also at its September meeting gave final approval to the President to obtain financing sufficient to supplement the fundraising to build the House in an amount not to exceed \$200,000.00. Negotiations are presently under way with area

banks to obtain suitable financing. The Capital Fund Drive to date has received in excess of \$103,000.00 in executed pledges/contributions. The Board of Directors has approved the allocation of an additional \$40,000.00 of Alumni Association funds to the project. An additional \$60-75,000.00 still must be raised during the next 90 days to construct the new house in accordance with present plans. More than 150 Brothers have contributed to date. All Brothers who have pledged or have made contributions to the date of printing of this Newsletter are listed below.

Any alumnus who wishes to contribute to the Capital Construction Fund Drive may do so by calling Jeff S. Taylor, collect at (502) 686-8084, Loman Brown at (216) 659-3518 or Mike Sanford at (619) 566-3843.

## Congress in New Orleans

The 77th ATO Congress was held in New Orleans this year during the first week of August. Brothers attending Congress from Zeta Lambda were Brian Thomas (Taylorsville, KY) and Brian Wilmurth, President (East Prairie, MO).

Thomas was busy attending discussion sessions on Risk Management, Chapter Advisory Committees, and Chapter Management. Wilmurth was the Chairman of the National Delinquencies Committee and was busy meet-

ing with other delegates in an effort to resolve their debt to the National Headquarters.

During Congress the National Dues and Insurance was raised, the minimum length requirement for pledging was lifted and a maximum length was set at twenty school weeks.

Also during congress, Zeta Lambda was cited for following the National Risk Management Policy, resulting in the dismissal of our lawsuit.

## ATO Defends IFC All-Sports Trophy

The Taus will open the IFC softball season against the Sig Eps this week. They are defending softball champions from last year with seven returning starters.

Coach Mike Gowen (Boonville, IN) is looking forward to leading the Taus into another great opening season of IFC competition. "I expect to field one of the best softball teams in ATO history, for we have a lot of experience as well as great talent throughout the entire line-up."

## Rush Starts September 14

Greek rush started September 14 for all fraternities at Murray State University. ATO rush chairman, Brent Mayhubb (East Prairie, MO) hopes to get several quality men to take a serious look at ATO's great brotherhood and pledge. Rush ends September 21 with rush-ees accepting bids September 22.

## Chapter Plans Busy Fall

The active chapter is excited about the upcoming fall semester. With approximately 72 brothers returning to campus this fall, a full schedule is being drawn that includes at least one activity per week to keep up chapter spirits.

## Looking for lost brothers

Please send any current information that you might have on ATO-Zeta Lambda members that have moved recently.

We currently utilize a mailing list supplied by ATO national and try to cross check this list with one from Murray State to confirm the most current addresses and phone numbers. Keeping track of 'younger Alumni' is especially difficult due to frequent career changes and relocations. We have also discovered through our phone-a-thon efforts that many of our addresses and phone numbers are to parents of our members.

Obviously if you are reading this and you received it in the mail we have a current address, but please take a few minutes to send the address and phone number of a Brother that is not receiving our newsletters and information.

The opportunity to contact a 'Lost' Brother and renew his interest in our chapter is very important to the Active Chapter in Murray and the Alumni Association.
