Homecoming 2002

We look forward to Homecoming 2002 being a "Very Special Homecoming." It is that time when we can all get back together, visit with old friends and make new ones. If you have not been back in the past nine years or so, you will be able to see the house and the memorial. We hope to have the area around the memorial bricked with the engraved bricks by Homecoming. We are all looking forward to how this project unfolds. All ATO alumni are sincerely invited and encourage to attend Homecoming this year. We have several groups we would like to recognize and honor. First of all, it is about time that we honored members of the Best Brotherhood and the Charter Members of ATO. These are the guys who started the fraternity —so, our special guests will be the members of The Best Brotherhood and The Charter Members. We all owe a great deal to these men who began Alpha Tau Omega on the Campus of Murray State College a/k/a/ Murray State University. We will also be recognizing the two pledge classes that had 100% participation in our recent brick project. To keep the suspense alive, the names of these pledge classes will not be revealed until Saturday morning, October 12, at our annual alumni meeting. So mark your calendars NOW for the weekend of October 11 and 12—ATO Homecoming at Murray State!!! Plan to attend and let's make 2002 a Very Special Homecoming.

The ATO Homecoming Agenda:

Friday October 11:

Golf Tournament—The Murray Country Club
All golfers who wish to participate may contact Brian "Kool-Aid" Epperson at k-laid@hotmail.com or call him at 1-270-767-0863. He has all the particulars, i.e., cost, starting times, etc. No alcohol can be brought into the club, but it will be served.

Open House—8:00 to ??? The ATO House is located at the corner of Main and 16th Streets. (Please sign in at the door and let us update our mailing list.)

Saturday, October 12:

Alumni Meeting—10:30 to 11:30 at the ATO House.
All alumni and actives are encouraged to attend the meeting. We will elect new Officers and Board Members and the new President will dedicate the Memorial.

Tent City and Football Game—3:00 pm

This year, you will elect new Board Members and Officers to lead the Alumni Association for the next several years. We will have our meeting on Saturday morning at the house, conduct our business and get everyone out to enjoy the ball game or whatever. Your attendance Saturday morning is essential. EVERYONE—ALL ALUMNI AND ACTIVES are encouraged to attend the Saturday morning meeting. This may entail, however, the ability to motivate so don't let the get-together Friday evening at the house get you "down."

Commemorative Brick Program Update

Hopefully, all of you received a letter (sometimes two of them) addressing the

Commemorative Brick program initiated this year by the Alumni Board. This program had a twofold purpose; first and foremost, to add to our memorial and provide a link with the past to all the men who join ATO at Murray State in the future and secondly, to provide funds for renovations to the house. The Board considers the inaugural foray successful in that work is progressing on the house and a good number of Brothers responded positively. The gratifying thing is that we had two of the Best Brotherhood and 20 of the Charter Members participate. The following Brothers either bought a brick or had one purchased in their honor/memory; due to their place of honor at this year's Homecoming, the Best Brotherhood and Charter Initiates are segmented from the rest of us.

One of the most gratifying aspects of this campaign was the number of Brothers who wished to honor either a fallen Brother or a Brother who has contributed much to the cause of ATO by having a brick installed for him at the site of the memorial. To paraphrase something that should be familiar to all of us—"Greater love hath no man." These fraternal bonds bind us to one another and neither time nor distance can erase the memories of our times together nor erode the history of the Zeta Lambda Chapter and the effect it has had on men's lives for the past 43 years. As we experience the process, we often fail to learn what it is all about; it is only with time and age that we can adequately reflect and truly know what we have gained by the experience that is ATO.

Love and respect to each and every one of you. We hope to see you at Homecoming 2002.
